ZEBULA GOLF ESTATE

Situated in the shadows of the Waterberg Mountains of Limpopo and a mere 2 hours drive from Johannesburg, this impressive 1600 hectare Golf Estate and Spa is stocked with plains game. The Zebula Golf Estate is truly Eden on your doorstep.

A REAL AFRICAN EXPERIENCE

The Big 5 South African Open will take place at the prestigious Zebula Golf Estate and Spa. Surrounded by game lodges, nature and wildlife reserves, Zebula certainly boasts one of the best locations for a bushveld course. Zebula is the only 5-Star golfing resort in South Africa. It's not all looks though; the Peter Matkovich designed course reveals his usual flair for being both challenging and accommodating. Peter went out of his way to ensure the land's natural contours were followed. This results in a seamlessly integrated bushveld course that is second-to-none.

U.S. KIDS INTERNATIONAL EVENTS

The Big 5 South African Open is the first International Multi-Day Event in South Africa.

U.S. Kids Golf International Events offer the best young golfers a chance to compete against their counterparts from across the world. International Events began with the inaugural European Championship in 2008.
